

# SOQUEL HIGH TEXBOOK POLICY

## IMPORTANT NOTICE—PLEASE READ!

Many textbooks will be checked out to your student(s) during high school. As you may know, the cost of textbooks are very high; some cost as much as \$200.00 per book. Students are responsible for keeping all texts in a safe and clean location and return textbooks in good condition. If a textbook is lost or returned damaged, it is the student's responsibility to pay for the textbook. Owing textbook fees will prevent your student(s) from participating in school-sponsored events such as Homecoming, Winter Formal, Prom and your student will not be able to pick up their high school diploma until all fees are paid.

Please communicate this information to your student(s). Thank you.

**Sincerely,**  
**Soquel High Administration**
